

# meet the TEACHER

## welcome

My name is Abigail Huntington, and I am so excited to be your child's teacher this year! We are going to laugh, learn, and grow together.

## hello!

## about me

This is my third year of teaching, but my first year on the ECC campus. I love sewing & crafting, playing board games with family and friends, and reading outdoors. Early childhood special education is my passion! I love watching children grow and being a part of their story. Thank you for entrusting me with your child and allowing me to be part of your journey!
