

Meet Mrs. Williams

Welcome to the wonderful world of PreK. I am SO EXCITED to be your child's teacher. I feel that God has blessed me immensely by allowing me to work with yours and His most precious gift, your child. I will love and care for them as if they are my own and teach them skills, they need, to be successful in school and in life.

A little about me: I am married to my best friend, Brad. We have 3 boys, Ryan, Michael and Aaron and a daughter n law, Ryan's wife, Kristen. I have recently become a "Grandma Sassy", to the sweetest baby boy, Judah. My husband and I are the lead Pastors at The Church of Garden Valley. I am also the kids pastor there. I graduated from Sabine High School, Kilgore Jr. College and Stephen F. Austin State University. I have taught kindergarten for twenty-two years and third grade for one. This is my first-year teaching PreK and I am loving it!!

Thank you for sharing your little one with me this year!
