

All About Mrs. Dilley

I am so excited to be your child's teacher this Year and to watch them learn and grow! I have been working at the ECC for four years, and it is a joy and a privilege to be able to now work with your children.

FUN FACTS: I have been married to my husband, Chris, for 14 years, and we have 3 wonderful children - Emma (12), Ethan (10), and Eli (7). I'm originally from Detroit, Michigan, but I have loved living in Texas since 2016! Some of my favorite things include the New England Patriots, the Wizard of Oz, and Italian food!
