

Mrs. Gernentz

Bio: I am so excited to be one of the Early Childhood Special Education (ECSE) teachers at Lindale Early Childhood Center this year! This will be my second year as a teacher in a public school setting but my fifth year in the education field.

Fun Facts: I am from Southeast Texas and moved to the Lindale area close to eight years ago. My husband, Kevin and I have two boys, Wyatt and Walker. Wyatt is going into the fifth grade and Walker is going into the first grade. Both of our boys attended ECC and are enrolled in the Lindale Independent School District.

Personal Mission Statement: My mission for our classroom is to provide a safe, loving, and developmentally appropriate classroom environment that will build relationships with my students and their families.
