ABOUT ME

Hi there!

My Name is Mrs. Prohl (Pro-ul) and I am so excited to be your Pre-K teacher this year! This will be my 2nd year at ECC but 6th year teaching Early Education.

I am from Houston, TX and moved to the Tyler area in July 2022. My husband and I are expecting a baby girl this September! I graduated from Texas Tech University and love cheering for the Red Raiders!

Our class will be filled with so many wonderful learning activities. I can't wait to get to know you and your family, and watch you learn & grow!
